# Thanks for your Support

This year, we had almost 1,500 runners and over 250 volunteers, including the Brookwood Drumline and Cheerleaders. The final numbers are not in, but it again raised a lot of funds to support both the Foundation and the Lilburn and Southeast Gwinnett Co-ops. Also, almost 25% of the runners were on a Brookwood team, earning additional funds for their schools. Thanks to those who participated and join us again next year!
